... and enjoy every moment!

Perfect moments that you look forward to all year: sun, water, the wind in your face. The constantly changing seascape of endless horizons one moment and the safety of port the next. Yesterday doesn't matter. You can look forward to tomorrow. To new horizons, new experiences and foreign countries. We would like to join you on your voyage, wherever your course takes you and play our part in making you feel at home wherever you are. With Dometic GROUP, you will be inviting an experienced shipmate on board, one who has been making innovative comfort solutions for original fittings for

many years. High-quality is the hallmark of our entire product range, which has long been available for the aftermarket as well. Discover the world's most comprehensive and versatile product range of easy-to-use equipment for yachts and boats in this catalogue. Check out our new products: premium electric toilets, for example, and new range of under-cabinet refrigerators, gas cooker with gimbals, an unbelievably compact compressor cooler and much, much more.

Welcome to the exciting world of Dometic GROUP products!

184 – 193 Product overview

New in 2010

Powerful technology for yachts and boats

We're off to a good start. We have seldom had as many new products and developments as we have this season. We have put together a selection to show you on these two pages – but that is not the whole range, by far. Look forward to some new discoveries when you browse through our catalogue!

On-board under-cabinet refrigerators

Normal refrigeration, deep freeze, refrigerator-freezer combination: the three appliances in the CoolMatic HDC-150 series have the same exterior dimensions, can easily be equipped with decor panels and be integrated perfectly into existing furnishings.

WAECO
by Dometic GROUP

Pages 46 – 47

Compressor cooler CDF-11

Sensational, compact design, lightweight and comfortable to carry with a shoulder strap. Standard and deep-freeze, 10.5 litre capacity.

Page 19

Compressor cooler CF-60

High-tech cooling, now also available as a 60 litre model. Hallmark for the entire product design: premium quality and top performance.

Page 25

Electric toilets

High-quality porcelain, compact design, available in two different heights. Integrated pump and macerator system, very quiet operation.

Pages 170 – 171

Dometic

Gas cookers

With one or two burners, gimbals and individually adjustable pot holders. Can be used as a permanently installed or free-standing unit.

230-volt grill

For comfortable and clean on-board fun with a grill. Easy to operate and hassle-free to clean.

Dometic

Pages 130 – 131

Dometic

Page 144

Charging technology

An addition to the high-quality range of IU0U automatic chargers: an 80 A and 40 A model complete the range.
